

GRIEVANCE COMMITTEE STUDENT/ STAFF

Function:

The Grievance Committee has accountability for reviewing and resolving student and staff grievances. The committee assures student and staff complaints and grievances are handled according to regulatory requirements. It functions to develop redressal procedure that addresses the grievance. The grievance committee shall hear all evidence relevant to the grievance, make findings, and make recommendations to the Medical Superintendent / Chairman based on its findings. It makes written records of finding of facts and their recommendations with regard to the grievance
