## Action taken report (2017-2018)

Date: 16/10/2018

### **Action taken report based on feedback analysis of various stakeholders**

Based on feedback report it was found that facilities in terms of infrastructure and audio-visual aids in lecture halls need to improve, these issues are deliberated and discussed by the Dean and College council committee members.

All matters are discussed and verbal instructions are forwarded by the Dean to PIU for improving the infrastructure facility in the lecture halls. The administration has already forwarded requisition of modern effective Integrated touch screens for effective teaching. It is also mentioned that as the renovation work is on-going, this problem will be addressed appropriately.
