

**GOVERNMENT DENTAL COLLEGE AND  
HOSPITAL, AHMEDABAD.**

---

## **INTERNATIONAL CELL**

The Government Dental college and hospital, Ahmedabad has an International Cell that helps and coordinates the students for admission and employment in various universities/ institutes worldwide

The role of the cell consists of:

- Facilitating exchange of knowledge and foster learning of students in a global setup
- Counselling and guidance to the students for international placement by various consultancies.
- Providing and helping with transcript, documentation, and SOPS/Essay/letter of recommendation for the students travelling internationally.
- Directs to get research grants to alumni of this institute from various national and international forums
  
- Help to create platforms of global exposure for budding dentist and inspire their global competencies to embrace the challenges in the field of dentistry.
- Making communication bridge between mentors with decades of experience in overseas Education Industry and current batches of students striving for abroad education.
  
- Facilitate student exchange program for those universities which has MOU with this Institution.

The **Government Dental college, Ahmedabad** has a formal Memorandum of Understanding with "**Peoples' Friendship University of Russia**" for exchange program. The MoU was signed between Larisa I. Efremova (Vice rector for international affairs) and Dr. Girish Parmar (Dean, Government Dental college and Hospital).

Peoples' Friendship University of Russia entered the top 100 universities in terms of "Teaching Quality", ranking 95<sup>th</sup> in the world and 8<sup>th</sup> among **Russian Universities**. The university's vision is to unite people of different cultures by knowledge and help to create a platform of global exposure for budding dentist and inspire their global competencies to embrace challenges in the field of dentistry. Our mentors have visited the University to strengthen the partnership and discuss future collaborations.

International Cell also works to help students studying in various countries with logistics and academic documentations. The cell along with alumnus of Government Dental College and Hospital, Ahmedabad across the globe in **Russia, US, UK** and **Canada** guide students with queries related with studies, research, and employment abroad. The alumnus working in various countries make frequent visit and guide, as well as solve the queries. They also hold sessions to keep the students informed about different overseas employment opportunities and also provide counselling if required. The cell also works to sensitize the students on functioning of the committee and share with them mode of contact in case of grievances. This cell offers crucial information and serves as a safety net for students who are travelling internationally.
