REPORTS OF FIELD VISIT OF 2020-21

Dt. 26/12/2020

Field Visit Report

A total of 99 1st BDS students visited the BJMC Anatomy Museum on Thursday 24/12/2020. The students were showing interest in observing the museum specimens. They were amazed after seeing human skeleton and were very curious to learn about the Anatomy subject. The charts and models were very informative and useful to answer their curiosity. It was a quite encouraging and knowledgeable visit for them. The visit was a great success.

**Report of Field Visit at Govt. Spine Institute and Physiotherapy College by 2nd Year
B.D.S. students**

A total of 89 2nd BDS students visited the Government Spine Institute and Physiotherapy College, Civil Hospital Campus, Asarwa on Thursday 12/01/2021. The students acknowledged the importance of an ergonomically appropriate Dental Practice posture for long term clinical practice. It is important to maintain proper chair positioning while performing a treatment in a dental practice and this visit enlightened the importance of human body positioning as well as positioning error during treatment which could result in spinal troubles for practitioners. Students were made aware of this neglected but important aspect of clinical practice early in their learning days successfully.
