Sub : Dental Check up and Awareness camp for children at Manav Mitra Community Center,
Gandhi Vas, Motera, Sabarmati.

Dear sir,
Manav Sadhna is a non-profit organization that is devoted to helping the less unfortunate build a foundation for themselves to thrive in all aspects of life. Manav Sadhna is inspired from Mahatma Gandhi's philosophies and is accepting of all, regardless of caste, religion, etc. Manav Sadhna has a very active healthcare program that has helped thousands of people across Ahmedabad. Part of our healthcare program involves health camps, in which patients from slum areas may see a physician. This allows people from the slums across to health amenities and treatment plans.

Using the facilities at the Civil Hospital, we would like to create a Dental Camp. We would like the dental camp to be located at Manav Mitra (Sabarmati Gandhivaas), one of the main center at Manav Sadhna. We expect approximately 200-250 patients to attend the dental camp.

We would like to hold this camp on 6.03.2024, Wednesday between 9.00 am to 12.00 pm . During this dental camp, we would like our children to gain knowledge on proper dental /oral hygiene and receive a check-up and cleaning. This camp would certainly benefit to the children of Gandhi Vas community.

Thank you for your cooperation.

Regards,

Raman Parmar

SUB: Report of a **“Dental Checkup and Awareness”** camp at Manav Mitra Community Center, Motera, on 6th March 2024

Respected Sir,

“Dental Checkup and Awareness” camp was conducted at Manav Mitra Community Center, Motera, on 6th March 2024 by Dept. of Public Health Dentistry, GDCH, Ahmedabad. Around **161** participants were screened for oral diseases. They were advised for necessary dental treatments. Oral health education was given to all participants explaining about oral diseases and their preventive methods using various charts and pamphlets. Participants were taught an appropriate method of brushing. Informative materials were distributed among participants for oral health awareness. Participants were also sensitized about Tobacco Hazards on Oral Health and encouraged them to visit the Tobacco Cessation Centre, GDCH, Ahmedabad in case of difficulty in cessation of addiction. The programme was attended by staff, post-graduate and interns posted in the department. It was a beneficial event.

Thanking you.

Yours sincerely,
