ABOUT THE DEAN & ADDITIONAL DIRECTOR (DENTAL)

Dr.Girish Parmar, Dean & Additional Director (Dental) , has taken on his responsibilities with remarkable enthusiasm. A strict administrator, known for his leadership qualities .He earned his Bachelors as well as Masters Degree(Conservative Dentistry & Endodontics) from GDCH, Ahmedabad. He began his teaching career thereafter and soon rose to the post of ‘Head of the Dept’ at the age of 32. He passed his Ph.D degree in 2004 and went on to become the Dean of GDCH Ahmedabad next year.

A dynamic personality, Dr.Girish Parmar has many contributions in various books and scientific articles pertaining to his subject. He is always keen towards organizing various scientific lectures & workshops in order to benefit the students and faculty. He is awarded fellowships from various organizations like Royal Society of Health (London), World Health Organization (U.S.A.) & International College of Dentist (India and Sri Lanka Section). He is also awarded “Jewel of India” & “Life time achievement gold medal” award in the year 2005 for excellence in his field. He was Chief Investigator of WHO project on ‘Atraumatic Restorations’ in rural areas. He is also responsible for the quality of the institution’s academic programs. Our institution competes with the best institutions all over India in providing quality education and caters to different oral healthcare needs of the society. He has done an outstanding job in achieving its present state of the institute.

Institute will continue to scale new heights of the achievements in the near future under his able leadership.

WELCOME NOTE FROM DEAN & ADDITIONAL DIRECTOR

It is rightly said “Education and Knowledge provide a good coordination between one’s mind and soul.” It is my proud privilege to be assuming the role of Dean, GDCH, Ahmedabad, one of the oldest Dental Institute imparting its services to the people of Gujarat and its neighbouring states established in 1963. The college has garnered a reputation for academic and scientific excellence and achievements. The mission of this institute is to educate and impart knowledge to its students, train them in the clinics and thereby render good service and care to the patients. In short we are all about INCREASING ACCESS to education and quality patient care.

Amongst the Government Colleges our institute has the highest number of undergraduate (BDS:125) as well as post graduate (MDS: 41) seats which are recognized by DCI. Institute also runs Ph.D course under the affiliation of Gujarat University. Our institute has a daily OPD of more than 500-700 from Gujarat as well as neighbouring states and provides quality treatment to patients. Our faculty members are highly skilled & proficient academicians and clinicians and continue to work hard to make our institute the best of its kind in the nation.

Our Institute releases its own indexed Scientific Journal (JGDCH) which contains review articles, interesting case reports and original research articles by the staff as well as students. Scientific lectures, seminars, and workshops are regularly arranged by the eminent speakers of national and international repute. The institute has secured modernized facilities and infrastructure required for research, education and clinical practice. We have the latest state of the art equipments in our institute. A library with a vast collection of books and scientific journals along with internet facility is available for the students.

Our institute has received **NABH** accreditation, the highest level of accreditation for hospitals in 2020. The institute has also received the **KAYAKALP award in 2018, NQAS accreditation in 2019, SKOCH award- Swasth Bharat in 2019, NAAC ACCREDITATION WITH A+ GRADE IN 2023 and NIRF RANKING OF 21 IN 2023**. We regularly conduct the Academic Audit to assess performance of our students & teachers. We are committed to provide superior oral health care in our clinics and through our outreach activities, have prepared thousands of students to be excellent Dental Professionals.

We are continuing to work together in making our institute the one that fosters the highest level of clinical education and research, with cutting-edge facilities for students and faculty, and the one where patients are served in an environment that is welcoming and efficient. I encourage you to explore our website (www.gdchahmd.org) to learn more about our institute, its faculty, education & activities. Join us on our journey to enhance the Oral and Dental health of our community.

OATH

I solemnly take this oath that:

1. I shall strive to study the dental subjects with all sincerity.
2. I shall conduct myself with dignity and humanity.
3. As a student I shall always be polite and shall behave with a sense of responsibility towards the patients, fellow students and teachers.
4. I shall never behave in a way which might be disrepute to the college or damage the property of the college.
5. I shall abide by the rules and the regulations of the college.
6. May the Almighty give me strength and wisdom to observe the oath I take today

VISION AND MISSION

VISION

To evolve as an institution of excellence in the field of Dentistry for imparting quality dental education, research and oral health care at par with global standards.

MISSION

CODE OF ETHICS FOR STAFF

RESPECT

- The teachers should practice and demonstrate interactions with patients like listening attentively, communicating clearly, understanding and solving patient problems, and always placing the welfare of the patient above personal interests.
- Should accept and embrace cultural diversity, beliefs, different ways of thinking, and others' priorities that are present among patients, faculty, staff and other students.
- Should maintain and promote a safe environment that prevents harassment of any nature at all levels and never abuse authority.
- Should value other staff members and expect fellow faculty and students to treat them with respect and confidence as competent professionals.
- Should treat intellectual property appropriately

TRUTH

- Be truthful in communications with patients about all aspects of dental care (diagnosis and treatment recommendations).
- Should demonstrate to students how to communicate with patients in a truthful manner.
- Should demonstrate to students how to describe clearly advantages and disadvantages of treatment alternatives to patients so that together they can make the best possible decisions about their care.
- Assume a responsibility to maintain our own professional development and assure that teaching materials are accurate, up to date, and appropriately credited. Practice evidence based decision making in both patient care and in the classroom.

RESPONSIBILITY

- Acknowledge that you are ultimately responsible for the quality of patient care in treatment centres – it should be everyone’s highest priority.
- Work with students to ensure that all patients under your supervision are treated well.
- Make sure that what you teach and what you do will give the highest priority to the welfare of the patient at the highest level.
- Enthusiastically encourage participation in community health care programs.
- Maintain confidentiality in all aspects of discussion about patients, students and coworkers.
- Honour time commitments, being punctual for lectures, labs, clinic, and meetings, and be respectful of the time constraints of others.

FAIRNESS

- Should be fair and equal for treatment of patients.
- Understand their obligation to avoid bias when interacting with students.
- Create an environment where everyone feels safe in expressing their opinions and concerns.
- Deal with wrong doing (detecting and reporting) with no bias.
- We apply the rules of professional conduct and standards for student evaluation fairly.

COMPASSION

- Serve as role models for compassion in dealing with all patients.
- Work cooperatively with students to solve problems.
- Strive to understand all sides of a story.
- Understand that being compassionate toward everyone creates a positive environment for all.

CODE OF ETHICS FOR THE STUDENTS

1. **Integrity**: Integrity is defined as “Adherence to moral and ethical principles, soundness of moral character, honesty. Having integrity means being totally honest and truthful in every part of your life. Students with integrity will work hard to earn their degrees in a fair and honest way by putting in the hours to study and complete assignments.
2. **Respect** : Respect could be defined as “a feeling or understanding that someone or something is important, serious, etc. and should be treated in an appropriate way. Being respectful towards people is a key aspect in life in order to form and maintain positive relationships in order to become successful.
3. **Open mindedness** : Being open minded means you have a willingness to listen to other ideas and opinions and consider the possibility that you are wrong or may change you own perspective. Open mindedness can advance mutual understanding, which accommodated the ideal of students working constructively and cohesively toward achieving common goals, despite intense disagreement.
4. **Discipline** : The word “Discipline” comes from the word “disciple” meaning a learner. Discipline means tearing to obey certain rules. Without it, there will be complete chaos and disorder everywhere in our societies. The students should always follow & incorporate principles of discipline in their life.
5. **Tolerance** : Tolerance can be seen as the willingness to accept feelings, habits or beliefs that are different from your own. Tensions arising from religious, cultural and linguistic difference are increasing, but tolerance is an effective and sustainable way of ensuring our young students understand and that’s why this value is so present in code of ethical student conduct.

6. **Team Spirit** : Team spirit can be defined as when the members of a group want the team to succeed. Team spirit improves the ability of individuals to work together & boosts moral. Each student can benefit on a personal level from team work. A team of students must actively listen to each other, articulate ideas and use genuinely constructive criticism to be effective.

7. **Sense of Responsibility** : Responsibility is one of the traits of our character means that a person is able to respond for his actions, is able to take some duties and to face certain consequences of the actions that may occur. It has been formulated to provide a clear statement of the University's expectations of students in respect of academic matters and personal behavior. Students have responsibilities towards professors, other employees and other students.

ANTI RAGGING POLICY

WHAT IS RAGGING?

Ragging means display of disorderly conduct, doing of any act which causes or is likely to cause physical or psychological harm or raise apprehension or fear or shame or embarrassment to a student in any educational institution & includes:

1.) Teasing, abusing, threatening or playing practical jokes on, or causing hurt to such a student; or

2.) Asking a student to do any act or perform something which such student will not in the ordinary course willingly do (Maharashtra Prohibition of Ragging Act,1999).

3.) The human rights perspective of ragging involves the injury caused to the fundamental right to human dignity through humiliation heaped on junior students by seniors; often resulting in the extreme step of suicide by the victims.

Ragging has several aspects which include psychological, social, political, economic, cultural and academic dimensions. The political aspect of ragging is apparent from the fact that incidents of ragging are low in institutions which promote democratic participation of students in representation & provide an identity to students to participate in governance & decision making within the institute bodies.

STEPS THAT MAY BE TAKEN BY STUDENT IN AN EVENT OF INCIDENCE OF RAGGING

1) Contact number of wardens, all members of anti-ragging committee & squads, relevant authorities have been issued on the notice board. In case of any such occurrences, students may contact any of the above.

2) Fresher or any other student, whether being victim, or witness, in any incident of ragging are encouraged to report such occurrence, and the identity of such informants will be protected & will not be subject to any adverse consequence only for the reason for having reported such incidents. Those who want to be anonymous can submit their complaints to administrative office. The identity shall be kept undisclosed.

3) The students can contact the members of anti-ragging committee or squad, whose phone numbers are displayed along with the anti-ragging poster or they can

directly approach the dean who in turn will direct the complaint to anti-ragging committee.

4) Those in hostel can also contact the hostel warden or any other staff members who will in turn direct the case to relevant authorities.

5) Freshers who do not report the incidents of ragging either as victim or as witnesses shall also be punished suitably.

A] PUNISHMENT FOR RAGGING:

a) Penalty for ragging (section 4): Whoever directly or indirectly commits, participates in, abets or propagates ragging within or outside any educational institution shall on conviction be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine may extend to ten thousand rupees.

b) Dismissal of student (section 5): Any student convicted of an offence under section 4 shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.

c) Suspension of student (section 6): Whenever any student or as the case may be parent or guardian or a teacher of an educational institution complains in writing of ragging to the head of the educational institution, the head of the educational institution shall without prejudice to the foregoing provisions, within seven days of receipt of complaint, do enquiry in to the matter mentioned in the complaint and if prima facie, it is found true shall suspend the student who is accused of the offence, and shall immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated for further action.

d) Deemed abetment (section 7): If the head of the educational institution fails or neglects to take action in the manner specified in section 6 when a complaint of ragging is made, such person shall be deemed to have abetted the offence of ragging and shall on conviction be punished as provided in section 4.

B] ADMINISTRATIVE ACTION IN THE EVENT OF RAGGING

The institution shall punish a student found to be guilty of ragging after following procedure:

A) Anti ragging committee of the institution shall take an appropriate decision following recommendations of the anti ragging squad.

B) Anti ragging committee may depending on the nature and gravity of guilt recommend one or more of the following punishments namely:

- i. Suspension from attending classes and academic privileges
