

REPORT

“NATIONAL IAOMR DAY CELEBRATION - 2025”

FOR FACULTY,

POST-GRADUATES & UNDERGRADUATES

ORGANIZED BY

ORAL MEDICINE & RADIOLOGY DEPT

DATE: 24th APRIL 2025

DESCRIPTION

The Department of Oral Medicine & Radiology at Government Dental College & Hospital, Ahmedabad, celebrated National IAOMR Day on 24th April 2025 with a vibrant array of activities, fostering academic engagement and honoring the legacy of the specialty.

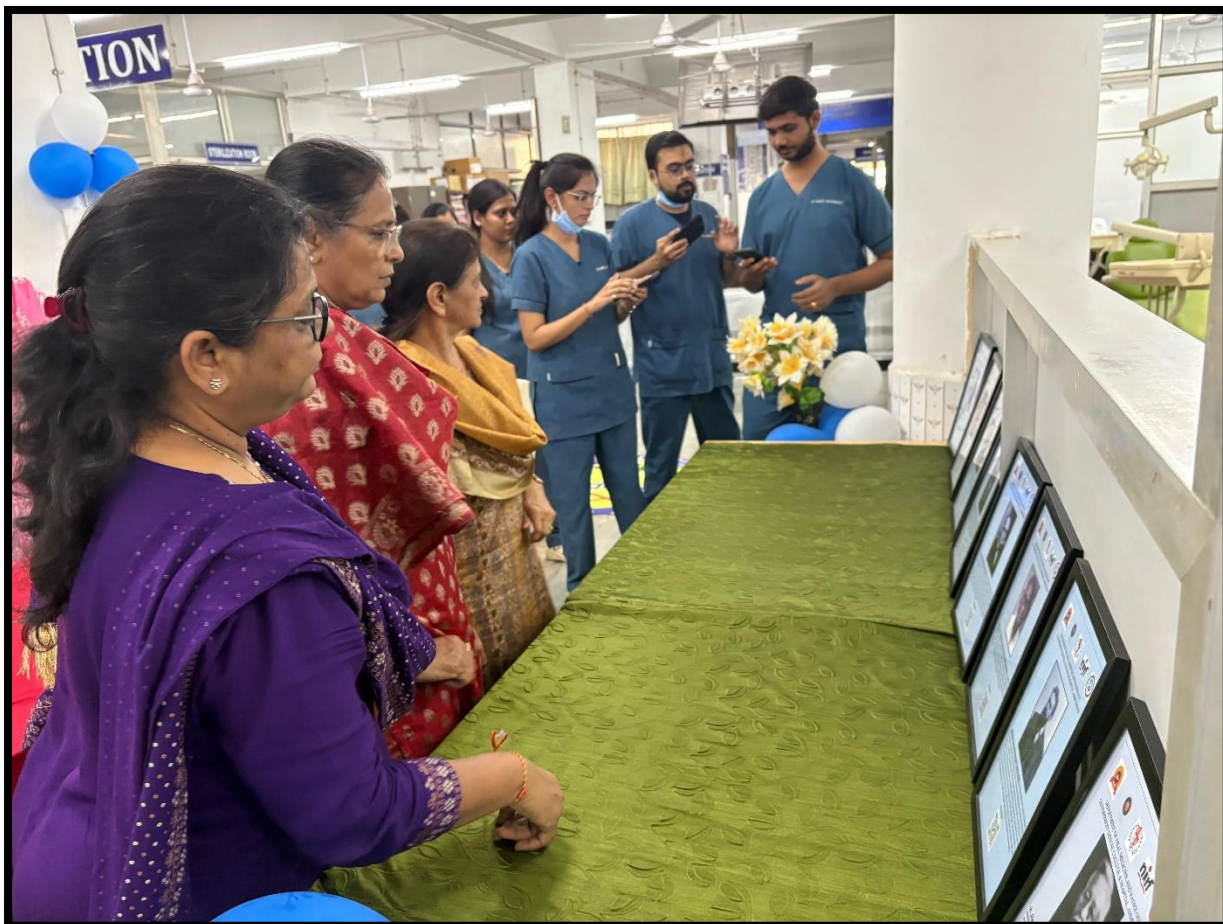

The day celebration was kick started with cake cutting ceremony by Dr. Rupal Shah (Dean, GDCH Ahmedabad) with Dr. Jigna Shah (Professor & Head, OMR, GDCHA) and Dr. Shilpa Parikh (Professor, OMR, GDCHA) as well as head of departments and senior faculty members from all other departments of the institute. A colorful rangoli depicting the IAOMR logo was created by students and staff. This artistic expression symbolized unity and pride in the specialty, adding a festive atmosphere to the department.

We honored the pioneer researchers and scientists who have contributed in the field of Oral Medicine & Radiology in the period of 470-370 BC up to recent times. We inaugurated 23 individual picture frames containing the picture of the researcher/scientist along with their contribution and with description of contribution towards the field. A QR code was also inserted in the frame for further details if anyone wants to explore. The frames were displayed to view for all students and faculty for entire week.

The day was concluded by a specially designed quiz competition for the undergraduate students. A total of 6 teams (each with 2 interns, 2 final-year BDS, and 2 third-year BDS students) participated in the quiz. We prepared multiple rounds of audiovisual questions covering diverse topics in Oral Medicine and Radiology for enhancing their knowledge and curiosity towards the field. The students participated enthusiastically, demonstrating teamwork and healthy competition throughout the event. All participants were awarded with certificates in recognition of their active involvement and contributions to the day's events.

The National IAOMR Day celebration was a resounding success, blending academic enrichment with creative and festive activities making it a memorable event for all those who attended.
