DESCRIPTION

The Oral Medicine & Radiology Department at Government Dental College & Hospital organised an Add-On course for the Third year BDS students on 19th July 2025. The course was titled “Intraoral radiographs – The art of Interpretation”. The students were shown intraoral radiographs of multiple pathologies. The students were trained by Dr. Hitarthi Kubavat & Dr. Purv Patel regarding the method to read and interpret IOPA for various pathologies. The students were also given a live exercise to write IOPA interpretation in a preformed format of pathology projected on screen followed by correction of any flaws made by them. A total of 75% Third BDS students attended the Add-On course and learnt the art of interpreting the most frequently advised intraoral dental radiograph.
