Sub: **"School Children Oral Screening Event"** at Asarwa Vidyalaya, Asarwa, on **26th March, 2025**

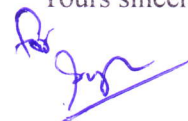

Respected Madam,

The Department of Public Health Dentistry organized a **"School Children Oral Screening Event"** at Asarwa Vidyalaya, Asarwa, on **March 26, 2025**. A total of **122 school children** were screened for oral diseases following established protocols. Necessary dental treatments were advised, and referrals were made to the **Government Dental College and Hospital, Ahmedabad** for further care. The program also focused on **oral health education**, where children were taught proper brushing techniques using **educational aids** such as chalk and board, IEC materials, dental models, and toothbrushes. Additionally, **tobacco cessation counselling** was provided to students with smoking or smokeless tobacco habits, with referrals made to the hospital's **Tobacco Cessation Counselling Centre** for further support. The event was successfully conducted with the **dedicated efforts of faculty members, postgraduate trainees, and final-year undergraduate students** from the **Department of Public Health Dentistry, Government Dental College, Ahmedabad**.

It was a beneficial event. Thank you for your cooperation.

Thanking you,

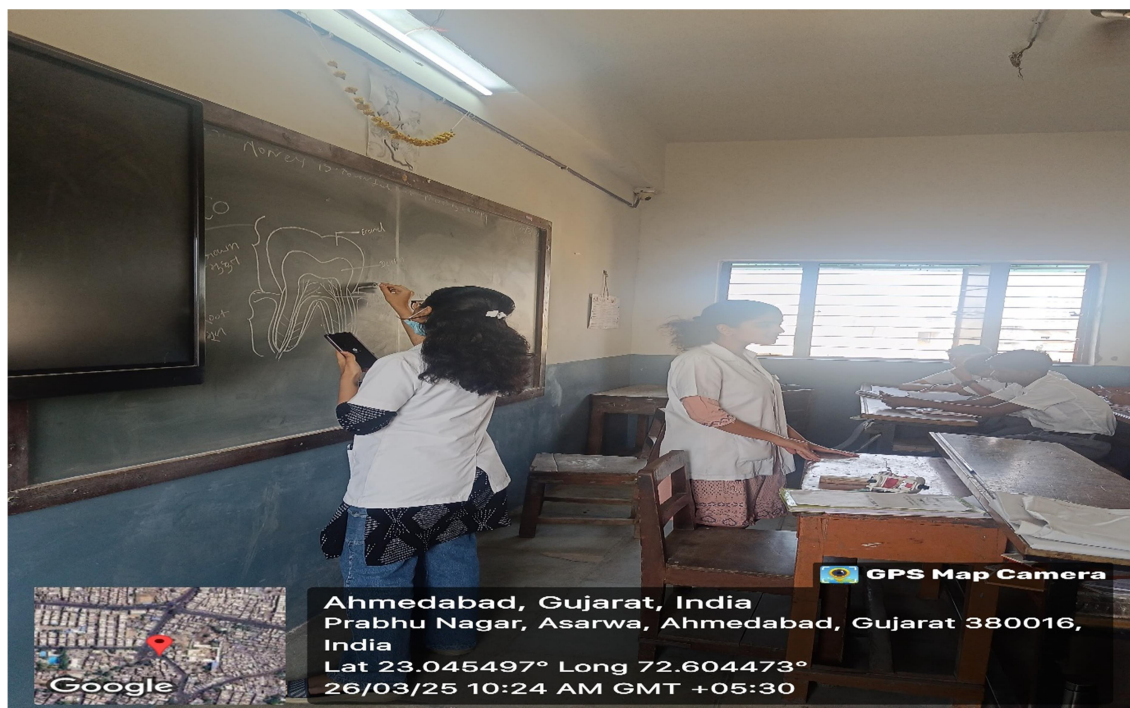

Yours sincerely,
