

World Oral Health Day Celebration 2023

A Report Submitted by:

**State Oral Health Cell,
National Oral Health Programme (NOHP),
Gujarat**

World Oral Health Day (WOHD) is observed on 20th March every year. It is an international day to celebrate the benefits of a healthy mouth and to promote worldwide awareness of the issues around oral health and the importance of oral hygiene to looking after everyone. Since the year 2021, a three-year campaign theme: “**Be Proud of Your Mouth**” has been launched. Through this campaign, the focus is given to the importance of oral health for the happiness and well-being of people, because good oral health has a positive impact on your general health, well-being and quality of life.

The WOHD was planned to be celebrate at state level on 20th March 2023 (Monday). A one-day training and workshop for dental surgeons (Class 1 and 2) of Gujarat state was organised by the State Oral Health Cell, National Oral Health Programme (NOHP), Gujarat at Asmita Bhavan, Civil Hospital Campus, Asarwa, Ahmedabad.

Participants: Total 316 dental surgeons (Class 1 and 2) of Gujarat state participates

Proceedings:

Inauguration

All the heads of institutes in the Medicity, Civil Campus, Ahmedabad graced the inaugural functions with their presence. Dr. Girish Parmar, Additional Director-Dental and Dean of Govt. Dental College and Hospital, Ahmedabad along with the faculties of Govt. Dental College and dental surgeons (Class 1 and Class 2) of Gujarat state were present.

Dr Girish Parmar Sir, Additional Director, Dental Govt of Gujarat delivered the welcome address. Sir welcomed all the guests with a brief introduction. Sir shared the details of dental manpower and infrastructure at DH, SDHs and CHCs. Recruitment of Class 2 dental surgeons will be done in the coming days. Sir had encouraged all the dental surgeons for providing the quality oral health care at the grass root level. More emphasize was given on the comprehensive oral health care.

Felicitation of five best performing dental health facilities at all the level (DHs, SDHs and CHCs) was done. The best performing dental health facilities were selected on the basis of number of OPD, provision of dental treatment, IEC activities, outreach activities, infrastructure of the dental clinic and reporting to NOHP.

The inaugural function was followed by the scientific sessions, hands-on, and lives surgical demonstration. To enrich the knowledge and for the capacity buildings of the dental surgeons, a series of lectures were arranged focusing the clinical dentistry.

Presentations:

Dr. Harpreet Singh, Principal, Head of Dept. of Endodontics, BJS Dental College, Hospital and Research Institute, Ludhinana, talked about the Fibre Post & Core in routine

dental practice. Various techniques of different Post and Core systems were explained in details. At the same time the merits and demerits of post and core were discussed.

Dr. Abhishek Parmar, Assistant Professor, Dept. of Endodontics, GDCH, Ahmedabad, delivered a talk on Challenging Cases in Endodontics. Dr. Abhishek presented a series of cases experienced by him during his clinical practice. He had also emphasised on use of micro-scope in Endodontics. He made interaction and discussed various case scenario faced by the dental surgeons at their level.

Dr. Utsav Bhatt, Assistant Professor, Dept. of Oral and Maxillofacial Surgery, GDCH highlights the basics of minor surgical procedure. The role of dental surgeons in the management of minor surgeries and how to deal with the medical emergencies in their setup was highlighted in his presentation.

- A hand on course on Post and Core was conducted under the mentorship of Dr. Harpreet Singh.
- Live surgical demonstration on dis-impaction was conducted under the mentorship of Dr. Utsav Bhatt.
- After the end of the scientific sessions NOHP review was taken regarding both physical and financial progress under NOHP for FY 2022-23 by the NOHP programme consultant- Dr. Sujal Parkar
